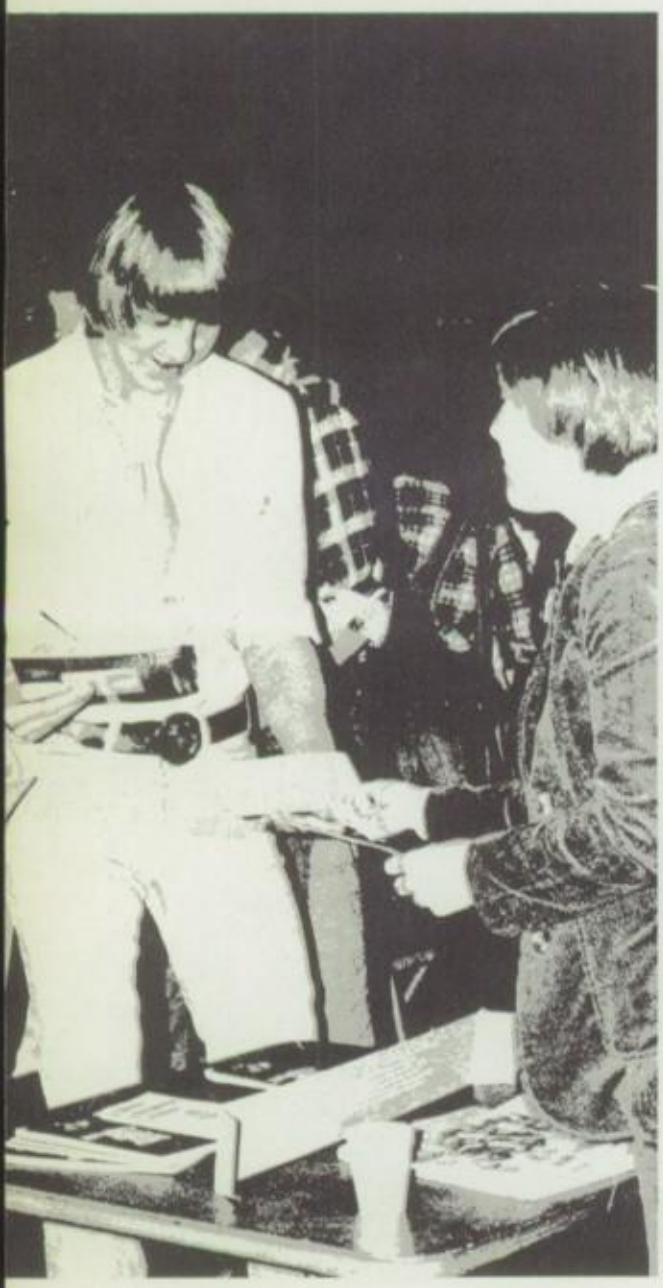
DO YOU

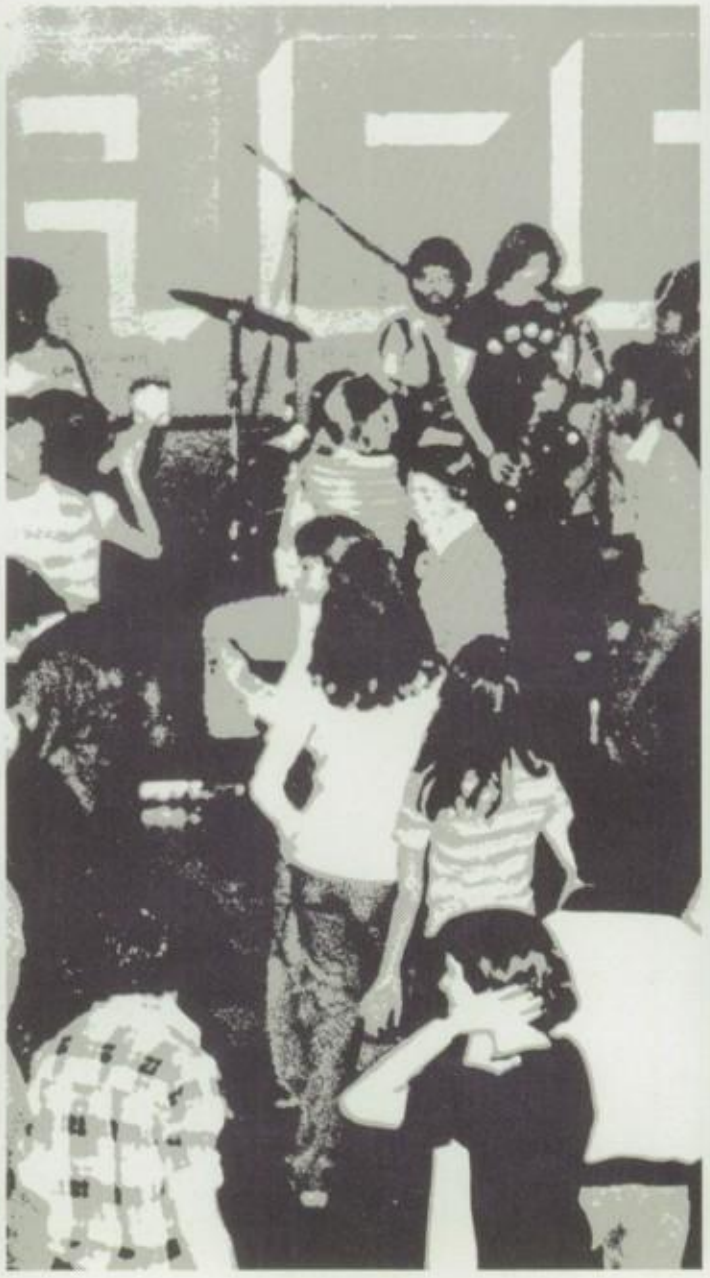
how you felt the first week of school?
teachers you learned to like, and others you chose not to?
the school's fiftieth anniversary?

REMEMBER

the creation of lifelong friendships?
great sport events?
having to sell candy and raffle tickets and brushes?

having to make plans for college?
worrying about having a date for the dance?
the "voice" of Aurora Central?





graduation jitters — and relief?
going Downstate?
things that made this year worth remembering?

The event which will last longest in the memories of Central students was the trip the basketball team took them on downstate.

The trip began with the Regional Championship at Plano. This round saw the Chargers defeat Hinkley-Big Rock 78-57, Immaculate Conception 69-51, and Harvard-St. George 53-40. With this first round victory, Central's own brand of "March Madness" was well underway.

The Chargers then traveled to Somonauk for the Sectional Tournament. After defeating Marmion in a one point cliffhanger 56-55, Central went after Walther Luthran. This victory 66-54 put the Chargers into the DeKalb Super-Sectional.

Chargers became a part of the 1977 "Sweet Sixteen." Defeating Kaneland 48-42, Central was on its way to the State Quarter-finals.

An all-school send-off brought the team to a 68-59 victory over Roanoke-Benson. The Chargers then moved on to the semi-final game against Mt. Pulaski. The team was victorious once more with a score of 77-61.

4

1. Chargers are up against the Kaneland Knights. 2. J. Stranckmeyer takes a shot from the corner. 3. T. Kleckner sets one up. 4. Coach Fick shows how everyone felt after the Super-Sectional victory. 5. The whole school gave the team a send-off. 6. Coach Fick leaves with the well wishes of the fans. 7. G. Peters scores two on the way to another Charger victory. 8. G. Peters captures the rebound.

The State Final game pitted the Chargers against Madison. Although the team had its sights set on the Championship trophy, it could not overcome the final sixteen point deficit. The team may have finished second in the State with a score of 71-55, but it finished first in the memories of the Charger fans.

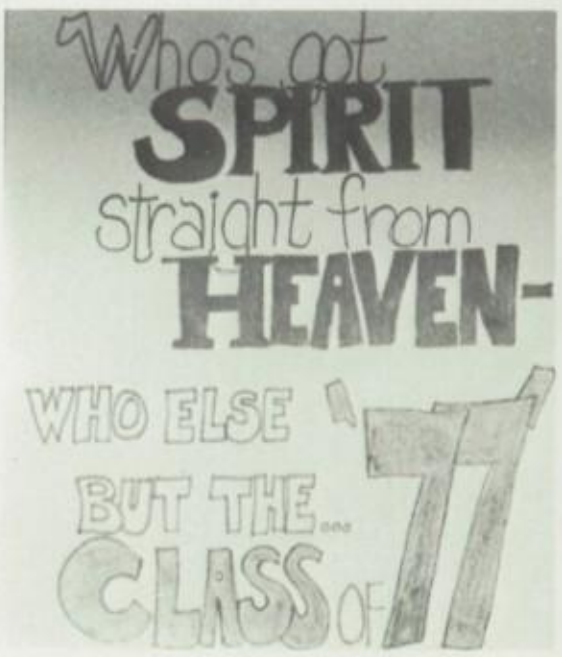
Homecoming festivities would not be the same without the spirit. The hall decorations, parade, and contests all add to the fun and excitement of the Homecoming game. This year there was a special anxiety in the air to catch the first glimpes of the new field. The senior class demonstrated how successful class unity can be by capturing the top honors in all three catagories.



1. B. Becker puts some finishing touches on the class float. 2. The Senior float took top honors. 3. "Oh, thank heaven for '77." 4. K. Heintz gets into Farmer Day. 5. B. Father Daughter Dance

On a Saturday evening in early January, Central girls had the opportunity to take their favorite beaus--their DADS--out dancing. "To Daddy With Love" was an event which was enjoyed by all.

"I think my dad would feel bad if he didn't get to go to this dance. It's kind of special for him to be asked, especially because this is his last year to attend," remarked Richie Trumpeter. According to Anne Medernach, "My dad asks ME to the dance!"

Golfers Take P.S.L. & District

1

2

The name of the game in P.S.L. golf this year was experience. A bad "experience" in the first league meet of the season (a 173-169 home loss to Chicago Christian) cost the Chargers a dual meet title. But "experience," synonymous with maturity, kept the players' wits about them and they began a devasting rampage through the remainder of the league schedule.

A month after that one loss to Chicago, the A.C.C. golfers arrived in Lemont for the P.S.L. Tournament. Experience personified by the all-senior squad solidly defeated the rest of the league. From there, the Chargers went on to capture the District Tournament Championship.

Girls' Track

Although the season record of 5-11-1 does not show it, this year was a good one for girls' track. The team finished 5th in a field of twelve schools in the first annual Kane County Meet for girls. Three new individual records were set: Mary Kay Strotz in the 880 Run; Chris Miklosik in the Two Mile; and Joanne Reier in the Discus.

The team was a young one--over half of the team consisted of first year participatns. The girls showed the progress they had made during the season by finishing 4th in the P.S.L., defeating two teams they had previously fallen to.

A CHEERLEADER
Being a Cheerleader,
Meant the world to me.
Not in the bleachers,
But jumping so free.
There was some work,
It took a lot of my time.
But it was well worth it,
Cause the accomplishment was mine!
As time went on,
We became much the same.
A bunch of rowdie cheerleaders,
Not a bit tame.
Remember camp and that spirit-stick,
All the screaming and yelling,
And everyone sick!
Remember Loretta,
How she trusted us so,
When we smeared vaseline,
On the doors of Gibault!
Remember the tears,
When it was time to leave.
All the fun that we had,
Is still hard to believe.
Remember the rainy football games,
On our new home field.
It's funny how the dreary things,
Seemed to have appealed.
Remember Homecoming,
The best car in the parade,
The crete paper, balloons,
And the posters we made.
Remember Coach Pall laughed and got a "T",
I guess that was something you just,
Had to see.
Remember our squad,
The fun that we made.
Hold on to all memories,
And don't let them fade!
But most of all remember:
"Friends we are and friends
We'll always be.
Together we will cheer
So faithfully.
Cheerleaders we'll always be --
Until we meet again!"

Our lives in the past four years have been colored blue and gold. We are now ready to experience another area of life. Golden memories of people and places from our high school days will be a fixed part of us forever.

As freshmen four years seemed like a long time, but as graduates we see how time slips by so rapidly. New interests lead us elsewhere. Good luck to all as we pursue those interests.

IN CLOSING

This year was a year full of firsts that brought about many special, exciting moments for everyone. Memories like these should be cherished and through this book we hope to relive time, and capture all the moments that made this year so unique.

The time and hard work put into this book, for me, all seems worth while. I must thank a few people who made it all possible. First of all. I would like to extend a special thanks to George King and all the people at Ron Stewart Photography for always coming through when we really needed them. Another added thanks to those few staff members who really knew what the word dedication means. And most of all to Ms. Hammond, who really put things together for me, as well as the book. Without her help, tings would never have worked out.

In closing, I would just like to say . . .

"Oh Thank Heaven For '77!"

Thanks,

Sandy Carr

P.S. Thanks, Ron, for putting up with me, and my position.
